

TRAINING COURSES

APPLE MACINTOSH: 1 day £395 + vat

OVERVIEW:

This course is designed to introduce users to the Apple Mac, the choice for professional users in the design, publishing and printing industries. A one day hands-on course designed to help new users get up to speed quickly and find their way around.

ADOBE INDESIGN CS (Creative Suite): 2 days £545 + vat

OVERVIEW:

This course is designed to familiarize users with the page layout and design features of InDesign. At the end of the course you will feel confident to produce single and multi-page documents.

ADOBE ILLUSTRATOR CS level 1: 2 days £545 + vat

OVERVIEW:

Adobe Illustrator is a drawing and design package. This course will give you the experience you need to produce professional graphics and illustrations, and will increase your levels of productivity and creativity within Illustrator. Once you have completed this course you can move onto the Adobe Illustrator level 2 course.

ADOBE ILLUSTRATOR CS level 2: 2 days £645 + vat

OVERVIEW:

A two day course designed to give more experienced users an insight into more advanced features of the application and to explore some graphic effects and techniques.

ADOBE PHOTOSHOP CS level 1: 2 days £545 + vat

OVERVIEW:

Adobe Photoshop is the industry standard image manipulation tool. This course, aimed at those who have never used the application, will introduce the essential tools and techniques through hands-on exercises and theory. You will gain an understanding of Photoshop to use it with confidence.

ADOBE PHOTOSHOP CS level 2: 2 days £645 + vat

OVERVIEW:

This course is for anyone wanting to gain a higher level of understanding of the more advanced features in Adobe Photoshop. It is an intensive course with hands-on experience.

HEALTH AND SAFETY

Furious Wolf endeavours to provide a comfortable and safe working environment for all students undertaking a course. Students are reminded to take a ten-minute break every 60 uninterrupted minutes of computer work. Short, frequent breaks are more beneficial than occasional longer ones. It is your responsibility to adjust your seating position before you start work.
